During what I can only assume to be nasty weather in England in the 1500s, a poet named Thomas Tusser wrote, "Sweet April showers do spring May Flowers." So "CHEERS!" to May flowers, as we wrap up a week full of extreme temperatures and weather conditions throughout our country.

**We are excited to present 2 Hometown Hero awards this week -
stay tuned to learn all about the recipients
(we can't spoil the surprise)!**

Last month we awarded a local nurse the honor of Hometown Hero. This nurse humbly asked not to be identified as nurses and other medical providers have been working tirelessly and sometimes non-stop over the last few years. This particular nurse works in a specialized unit providing essential care to patients who may not be able to receive visits from family and friends due to Covid and their individual medical issues. In fact, this nurse stayed in the hospital 24-7 for a period of time to ensure availability to patients. We are incredibly grateful for all of the medical personnel and the many hours of dedicated care they've continued to give.

**It's FREE to nominate a Hometown Hero and you can nominate
anyone you believe has made a difference in our community!**

Each honored hero will receive a \$100 Amazon gift card from the law firm and will have the opportunity to pay it forward with nominating a local non-profit to receive an Amazon gift card also.

Who is a HOMETOWN HERO?

Anyone who...

- Returned a stranger's wallet...
- Helped a neighbor with yard work...
- *Coordinated a food drive for the hungry...*
