

The Ye Law Firm, Inc. P. S.
Chong Hae Ye, Attorney at Law

He Is Risen!

Easter blessings to you and your family. We pray you had a wonderful day of fellowship and a beautiful Holy Week. As many of you know, Chong Ye, our founder and senior partner, completed his graduate studies at Dallas Theological Seminary.

Before law school, Chong spent almost ten years in the ministry ministering, teaching, and counseling 2nd generation Korean-Americans Christians. Today, he is proud member of the Lifeway Church in Federal Way. So while many CEOs may shy away from espousing faith or religious teachings, we do not.

Our team at The Ye Law Firm is honored to be able to help our clients and do our best to live the Christian principles we believe. Part of these principles include giving back to the community. As such, we want to share our community involvement activities. These important programs help us connect with one another, build one another up, and live our values. We honor Him when we honor one another:

- Coloring Contest
- Hometown Hero Program
- Sponsor a Daffodil Princess

If you or a loved one has been injured in an automobile accident, it is important to know your rights and get help ensuring your personal property is repaired or you are compensated appropriately. Of course, you may have lost wages or medical bills as a result of the accident so it is even more important to reach out to a skilled personal injury attorney for advice.
